WELCOME TO THE WORLD OF AXIOMA

AXIOMA

LIFE IS FOR LIVING

Axioma's philosophy and mission is to assure that every expectation is surpassed. You will remember your time on board Axioma. You will arrive as honored guests and depart as honored friends. Perhaps some memories will fade, but you will never forget how Axioma made you feel...

WELCOME TO THE UNIQUE AXIOMA EXPERIENCE

Axioma features stunning exterior design and a beach house-style interior by the legendary late designer Alberto Pinto that contrasts natural woods and luxurious flourishes.

The guest areas on Axioma are situated on the main deck and above. The yacht accommodates 12 guests in the owner's suite on the upper owner's deck and VIP suite situated on the main deck along with the four guest double cabins (two of which are convertible into twins). The lower deck is home to an amazing 8 person 3D cinema.

On the main deck the infinity swimming pool is an outstanding exterior feature, whilst further up the aft, the upper deck offers impressive alfresco dining for up to 14 guests around a large round table. The main salon features an amazing open space mezzanine, giving the area a double height. On the bridge deck aft, a large Jacuzzi with a bar, featuring in and out of water seating, is surrounded by sun pads. The bridge deck also features a panoramic open air gym, massage room and steam room. The sun deck has lounging and intimate seating areas forward on the bow offering breathtaking forward views.

BRIDGE DECK

For the best onboard luxury experience, the gym, massage room and steam room should be together. However, where most yachts tend to bury these on the lower deck, Axioma was designed with the philosophy of affording guests the ultimate well-being experience by giving them the most energizing panoramic views any yacht can offer...those from the bridge deck

BRIDGE DECK

OWNER'S DECK

The owner's suite is the most privileged space onboard any yacht due to its incredible views and beautiful design. The owner's deck features a spectacular private terrace with an exit from the bedroom, avoiding the need to go aft to get outside. The owner's bathroom features a beautiful Jacuzzi.

On the owner's deck you will find the media room - an excellent space to relax while reading or just enjoying a conversation.

MAIN DECK

When yachts get bigger, typically all you do is double the spaces. We decided to combine these areas to create something new for a 70 metre, creating a wow effect by combining two decks. The result is the spectacular gallery around the aft end of the main salon, creating an incredible sense of space and airiness while connecting the upper seating area with the salon and bar below.

The main deck pool area offers a place for guests to relax and for children to swim.

All guest cabins are located on the main deck, with a brief for large windows to let in a lot of light. It is a layout that works sublimely, creating not only a sense of light and spaciousness throughout the guest areas, but also creating that show-stopping galleried main and upper salon.
