

Yacht Profile

Dardanella

Dardanella

2020

Built for adventure, luxury and expedition by renowned yacht builders - Vitters in the Netherlands. 37m, Vripack designed DARDANELLA is available for charter in some of the most remote parts of the world. Based in the South Pacific with an exciting schedule, available for charter in areas such as Papua New Guinea, Micronesia, the Solomon Islands, Marshall Islands and surrounds. DARDANELLA carries a crew of 8 and accommodates 12 guests in 5 beautifully appointed guest suites each with ensuite.

DARDANELLA has a focus on sustainability and research and has worked with some of the biggest names in this field. Whether it's surfing, diving, collecting bio-samples from a remote volcano, visiting sunken war ships and world war II bombers or simply enjoying a luxurious cruise through the islands of the Pacific, DARDANELLA is equipped for it all.
