Outside, the step down foredeck makes for a private place to relax in the sun and enjoy the 180 degree panoramic views ahead from the large foredeck Jacuzzi, whilst the flybridge lends itself to a large social event or just a tranquil space to relax with family and friends. Boasting a huge retractable sunroof, wet bar, another Jacuzzi and an exceptionally generous seating and dining area – the flybridge is sure to be at the heart of the action during your time onboard.

Inside, the yacht is beautifully detailed with inviting open living and dining areas across both decks. The accommodation features an exquisite master stateroom, with two further doubles and two fixed twin cabins all with their own en-suite bathrooms.

Performance is at the heart of the 116 Yacht. Whether cruising around the islands of Cannes, or enjoying top speeds of 26 knots across to Corsica or Sardinia, you won't be disappointed with the comfort or handling of this magnificent yacht. With zero speed stabilisers underway and at anchor, this comfort continues while enjoying lazy evenings on anchor, watching the sun disappear into the horizon.
