

KHALILAH

49.00M • PALMER JOHNSON • 2015
FOR CHARTER

INTRODUCTION

Cool and fiercely stylish, 49m SuperSport KHALILAH is the largest private yacht built entirely in carbon composite. Delivered in 2015 by Palmer Johnson, her dynamic design combines performance and space to offer seriously smooth cruising. A unique fast displacement yacht, streamlined KHALILAH is the golden girl of the charter scene.

Guest Capacity

An exclusive boutique hotel on water, KHALILAH can welcome up to 11 guests onboard overnight. Each of her 5 ensuite staterooms has a striking contemporary look and features an individual colour scheme and decor. The ideal yacht for groups of friends travelling together, KHALILAH has 2 owners suites located on the main deck. Ultra-luxe with an Asian-fused modern vibe, both suites have full-length picture windows overlooking the ocean and a spa-style ensuite bathroom. Styled with a cool upbeat aesthetic, KHALILAH's 2 identical sized staterooms are located on the main deck. On the lower deck, there are 2 spacious VIP double cabins and 1 twin cabin with a Pullman bed.

Interior

Created by the in-house team at Palmer Johnson, KHALILAH's interior is simple and chic with a playful twist. Stained oak floors and neutral furnishings are paired with LED lighting, vibrant accessories and colourful pop art from the owner's private collection. The perfect chill-out lounge, the main deck salon has a relaxing Zen-like atmosphere. Floor-to-ceiling windows provide a stunning ocean backdrop to the vast seating area and Karelian birchwood bar. Glass doors lead out onto the covered dining area with a bespoke Cactus wood dining table for 10.

Finished in high-gloss orange, the ultra-modern yacht galley is located on the main deck. An open-plan bar area allows guests to connect with KHALILAH's 2-star Michelin chef whilst cruising.

On the upper deck, the skylounge is perfect for socialising after-hours. Finished in all-white with bright pops of colour, overhead skylights and loungers give the skylounge a contemporary loft vibe.

Exterior

Instantly recognisable for her sweeping curves and revolutionary hull design, KHALILAH's exterior was designed by the Palmer Johnson team. Sleek and sporty with a fabulous gold flair, she offers vast deck spaces with sweeping views of the ocean. KHALILAH takes onboard socialising to the next level. Her huge aft deck is the ideal party space. Unwind on the oversized sun pads, sip cocktails in the lounge or enjoy an amazing meal in the al fresco dining area. With a fabulous spa pool and a huge beach club, KHALILAH is always the hippest venue in town.

Water Toys and Tenders

Packed with the very latest water toys plus a custom 7m gold tender, KHALILAH has a seriously cool onboard toy box. Live your best life with unlimited access to her jetpack, hoverboard, wakeboard, jet skis, kayaks, paddle boards and inflatables.

Recommended Destinations

The original Mediterranean party spot, the French Riviera is home to some of the most exclusive beach resorts in the world. Sail down the sun-kissed coast from St Tropez to Monaco and experience life, Riviera-style. Spend your days soaking up the sun in hidden coves or turning up the adrenaline out on the water with KHALILAH's water toys. Then after dark, check out the sizzling nightlife in Cannes, Antibes and beyond. Sun, sea and superyachts, on the French Riviera, all that glitters is definitely gold.
