Breathtaking

Designed to turn heads, the 181ft (55.4m) custom motor yacht Turquoise was designed by Dubois Naval Architects and built in 2011 by Proteksan Turquoise. Her luxurious, elegant and relaxing interior designed by award winning H2 Yacht Design was completed in 2014.

With a cruising speed of 14 knots and a maximum speed of 17 knots from her highly efficient engines, she is the perfect combination of performance and luxury.

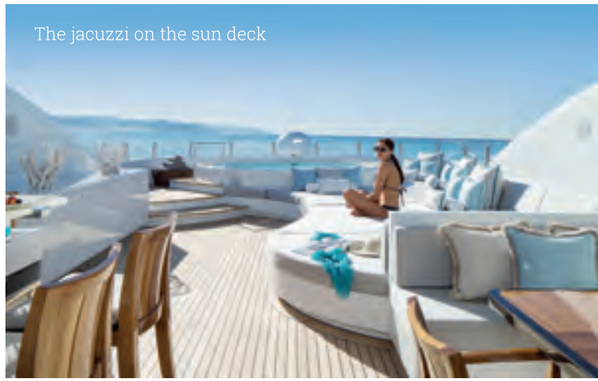
The versatile main deck aft

Unwind

Whether you choose the main deck, bridge deck or sun deck – the seating is sociable and comfortable with panoramic views.

The sun deck

The jacuzzi on the sun deck



The sun deck, with its oversized jacuzzi that comfortably accommodates 12 people, offers a huge, sinuously curving relaxation area that is paved with sun pads, as well as a bar, barbecue and seating under the shade of the radar arch.

The bar on the main deck

The Nikki Beach style cinema on the main deck aft

Relax with canapés and cocktails in the bar on the main deck, followed by your favourite film in the Nikki Beach style cinema on the main deck aft.
